

ORGANIC

SOLID HARDWOOD FLOORING

RECLAIMED DESIGN

Handcrafted with a texture that thrills both your feet and eyes, the reclaimed design of the Hallmark Organic Solid wood floor carries a sense of history and charm. Creating a perfect complement to contemporary interiors and accentuating a vintage look, they feature a reclaimed design with planks of random widths and lengths, adding immediate warmth to any interior.

This innovative type of solid wood flooring with its genuine wood texture and natural patina is unique to Hallmark Floors.
