## Benefits

Bring the beauty of nature indoors with lifelike grain patterns, rich texture, and seamless plank alignment. Advanced embossing adds depth and comfort, while light reflection enhances the natural elegance of Oak.

Our UV-stabilized, fade-resistant materials maintain vibrant color. Built to withstand chemicals, heat and humidity, with eco-friendly, durable finishes for lasting beauty. Low-VOC coatings enhance durability without compromising air quality.

Our locking system provides secure, water-resistant seams with reinforced edges for lasting durability. Seamless compatibility with underlayments enhances performance. Backed by a warranty for long-term reliability.

Designed for pet-friendly homes, our flooring features a scratch-resistant surface, stain-repellent coating, and a pet-safe warranty for lasting durability. Made from non-toxic, allergy-friendly materials, it ensures a healthy environment, while a paw-friendly texture provides comfort and traction.

## Trim Options

- Flush Stair-Nose
- T-molding
- Threshold Reducer

## Installation

Installs over: concrete, wood, vinyl floors and radiant heat systems. Above, on or below grade.
